

Shrubbler® 360° Pressure Compensating

A Pressure Compensating, fixed diameter drip emitter. Gentle flow action with uniform coverage for all emitters on same supply tube.

Features

- Patented design.
- Pressure Compensating maintains diameter of throw over a wide range of inlet pressures.
- Take-apart for easy inspection and cleaning.
- Colored cap for easy identification.
- UV stabilized materials for long life.

Applications

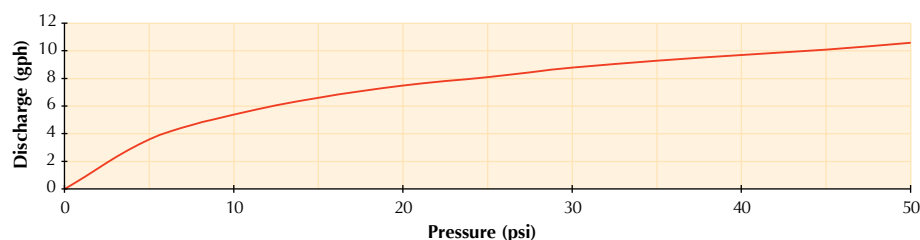

Pots, planter boxes, balcony, patio and landscape applications.
